

"I've got my EYE on you!"

We have been learning about "Thinking with our Eyes". We use our EYES to:

Figure out other people's feelings by looking at their facial expressions and body language

Get people's attention

Show people we are listening to them

Show our own feelings

Here are pictures of me showing an emotion with my eyes:

Empty dashed box for drawing a happy face.

HAPPY - My eyes and eyebrows are....

Three horizontal lines for writing the description of happy eyes and eyebrows.

Empty dashed box for drawing a mad face.

MAD - My eyes and eyebrows are....

Three horizontal lines for writing the description of mad eyes and eyebrows.

Empty dashed box for drawing a sad face.

SAD - My eyes and eyebrows are....

Three horizontal lines for writing the description of sad eyes and eyebrows.
